book excerpt st what but that it was going to be rather important i knew he suddenly thrust his head into his hands and rocked to and fro how long how long he moaned how long santhu jim i cried jim what s the matter with you he straightened in a moment you ll understand he said and then as quietly as before i felt that the glass was waiting the night i disappeared i couldn t sleep i turned out the lights in the room turned them on around the glass and sat before it i don t know how long i sat but all at once i jumped to my feet the dragons seemed to be moving they were moving they were crawling round and round the glass they moved faster and faster the thirteenth dragon spun about the topaz globe they circled faster and faster until they were nothing but a halo of crimson and gold flashes as they spun the glass itself grew misty mistier mistier still until it was nothing but a green haze i stepped over to touch it my hand went straight on

an adequate account of the development of the dragon legend would represent the history of the expression of

mankind's aspirations and fears during the past fifty centuries and more for the dragon was evolved along with civilization itself the search for the elixir of life to turn back the years from old age and confer the boon of immortality has been the great driving force that compelled men to build up the material and the intellectual fabric of civilization the dragon legend is the history of that search which has been preserved by popular tradition it has grown up and kept pace with the constant struggle to grasp the unattainable goal of men's desires and the story has been constantly growing in complexity as new incidents were drawn within its scope and confused with old incidents whose real meaning was forgotten or distorted it has passed through all the phases with which the study of the spreading of rumours or the development of dreams has familiarized students of psychology the simple original stories which become blended and confused their meaning distorted and reinterpreted by the rationalizing of incoherent incidents are given the dramatic form with which the human mind invests all stories that make a strong appeal to its emotions and then secondarily elaborated with a wealth of circumstantial detail this is the history of popular legends and the development of rumours but these phenomena are displayed in their most emphatic form in dreams
